

# Handcross Bowls Club

## Newsletter Issue 12 – June 2023

### Club Night

The Tuesday evening Club Night has begun, with a few sessions having already taken place.

Currently only a few members have been attending, but it is hoped that more will take part as the season progresses and the weather turns a little milder.

Most of the attending members have enjoyed the evening experience, and a **Yardstick** competition has taken place on these occasions, which some members have experienced for the first time, but the response has generally been very good.

Come along and join in the fun. Remember, if any member requires some coaching, to add your name to the list on the notice board by close of play on Monday to allow any preparations to take place.

### Julian Smith

It is with a feeling of great sadness that we have to report the sudden death of Julian Smith.

Julian had only been at the club for a couple of seasons, but was always enthusiastic to play matches when his work commitments would allow. Julian was always happy to help the club out during social events, when he was able.

Rest in Peace, Julian.

### Club Competitions

The draws for the club competitions have now been made. Please refer to the competitions board for further information.

Remember to follow the **competition rules**, which are also listed on the competitions board.

Further details from Jackie Roderick or Karen Grove.

### Friendly matches for 2023 season

Sheets are posted regularly for the Friendly matches. Please remember to tick the sheet if you are selected to play in a match. Further details from Juliette Crozier.
