

# Handcross Bowls Club Newsletter

Issue 3  
September 2021

Welcome to the September 2021 **Newsletter** for Handcross Bowls Club.

## **Defibrillator**

A new Automated External Defibrillator (AED) has been purchased for bowls club use. The equipment is installed and available inside the club house, below the First Aid kit. A short familiarisation training course will take place in the next couple of weeks, for any member who wishes to take part.

---

*The important thing to  
remember, is not to  
forget.*

---

## **Fire Extinguishers**

Three new fire extinguishers have been purchased for bowls club use. Two are water-based, and one is carbon dioxide based. One of each type are installed in the club house, inside the main door, and one water-based unit is installed in the men's changing room.

## **Allars Competition**

The Allars competition was postponed from Saturday 7<sup>th</sup> August 2021, due to inclement weather and has been re-scheduled to take place on Wednesday 8<sup>th</sup> September 2021.

## **Finals Day**

The club finals day will take place on Sunday 12<sup>th</sup> September 2021. A lunch buffet will be provided by the club, for all members and their guests. Congratulations to all members who have reached the final stage in all of our competitions. Thanks to the competition committee for planning, and managing the club competitions for 2021.

## **Monthly Matches** (MSL=Mid Sussex League)

The following league matches were played during August 2021:

MSL	Crowborough Wolfe	L	2-8
MSL	Isle of Thorns	L	0-10

---

*If history repeats itself,  
I am so getting a  
dinosaur.*

---

The following friendly matches were played during August 2021:

Mackie, Southgate Park, Balcombe, East Grinstead, St. Francis, Southwater, Hangleton, Downsman, Burgess Hill, Felbridge.
